**Please read the following regulations to help
our show run successfully:**

Dancers in the first half of the show will line up in the hallway next to the auditorium 10 minutes before show time. Young dancers should sit with their families until an announcement is made to line up. Dancers in the second half will line up during intermission.

All dancers will enter and exit the stage from the backstage area. Jumping on and off the stage or running up and down the stairway is not allowed for the dancer's safety and to maintain the quality of our performance. Young dancers may be picked up in the hallway after they perform.

There will be volunteers backstage to help. No one is allowed back stage at any time unless you are a dancer. If you are performing in more than one dance, be sure to change your costume as quickly as possible.

Students may use the dance room to change and or practice with their group before and during the show. This room is located immediately to the right of the ticket takers as you enter the lobby.

Do not sit or stand in the aisles. This is a school fire code regulation that will be enforced by security personnel.

No balloons are allowed in the auditorium.

No car seats or strollers allowed in the auditorium.

Flower bouquets (by Ana's Flower Shop) will be available for purchase in the main lobby.

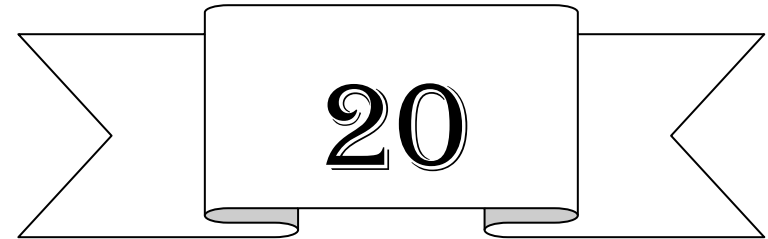

Summer classes begin on Monday June 23, 2014

Call to register now! 773-847-8320
